Join

Master Water Stewards

Community Leadership for Clean Water

Join neighbors to protect water quality

- Learn about lakes, rivers, and wetlands.
- Learn skills to protect your nearby water bodies.
- Be a part of a network of experts.
- Be a community resource for environmental and watershed stewardship.

For the Vermillion River Watershed program–

Sign up

- Participants must live in the Vermillion River Watershed – see interactive map at www.vermillionriverwatershed.org.
- Complete application by Sept. 12 – www.masterwaterstewards.com.
- $125 fee pays for materials and field trips, reimbursed upon certification. Scholarships available.
- Phone: 952-891-7117
