

Clerks Note:

I discussed this issue with the MN Association of Township's lawyers John Dooley and Kent Sulem, and as long as Mr. Neil clarifies his intent of residency, it is permissible for him to stay on as a Supervisor of the Board.

As Mr. Neil's verbal resignation is invalid, the Board will have to rescind their motion of acceptance of his resignation because the Board acted prematurely by accepting it.

If you have any questions regarding this issue, you may call these lawyers at 763-497-2330 to verify the above.
