Russell Zellmer Chair called the meeting to order at 6:30 p.m. and the Pledge of Allegiance was recited.

The purpose of the special meeting with the Board of Supervisors is to review and consider a variance permit for B&B Transformer, 2850 220<sup>th</sup> Street W., Farmington, MN 55024 to build the restroom addition next to and in line with the existing building located 112 ft 6 in from the centerline of Highway 50. The bathroom will be 115 ft from centerline of Highway 50.

A question was raised about water run off. This issue had been resolved when previous work was done. A question was raised about needing a permit for east entrance. The owner will check about both driveways.

Replacement of the building is the same as what was there before the fire.

Ron Wasmund presented a list of items to be considered to bring the building up to code. (attachment with B&B file) The question of NPDES permit was discussed. It was pointed out that 13,300 gallons are allowed and B&B are only using 12,000 gallons with the use of a 55 gallon barrel and a 30 gallon barrel. The second driveway was discussed again.

The Board of Supervisors will readdress the building permit review of B&B Transformer at the October 10, 2006 regular Board of Supervisors meeting.
