- Glenn Switzer was present to review his existing Interim Use Permit to allow their facility at 26601 Chippendale Ave to be used for weddings and other events. He had photos from several events that were held there during 2014, and explained that they have bookings scheduled for 2015 and 2016 already. If this continues, they will most likely be looking into some building improvements. The Clerk will contact MNSPECT and ask one of their representatives to contact Mr. Switzer so they can look at the facility and what he has in mind so he will have a better idea what will be required as far as permits, etc. when that time comes. Drea Doffing, Board Chair, will look into this use being compatible with our Ordinances. Mr. Switzer indicated that the landscaping business is still the primary business on their property.
