Election Edition - February 2016

Meet the Candidates

Kelly (Betzold) Elvestad - Supervisor A

I'm running for a seat on the township board in hopes of serving the people of Castle Rock Township with receptive and unbiased leadership, common sense, and integrity. I am a third generation Castle Rock resident, have a BA from UW-River Falls and served for six years as an Officer in the MN Army National Guard. I'm a Mom to some pretty great kids, Arabella (10), Eliana (4) and Idan (2) and a wife to a pretty awesome guy. B.J. and I had the chance to work with the township during the build of our new home in 2013/2014. It is a combination of what I learned through that process, growing up with my Dad's example of service, and his encouragement to serve now, that I run for this seat. I will work to maintain agricultural interests, will use moderate and well-reasoned judgement and consider all residents equally. I would appreciate your support and thank you for the opportunity to serve this community.

Michael M. Kiefer - Supervisor B

I have a Ph.D. in psychology, am an author, and the president of Powermind Systems Inc. I am an adjunct professor at nine colleges and a consultant for dozens of state agencies, law enforcement & military groups, and corporations throughout Minnesota. I have lived in the township for over 25 years. You can be assured I will be an ethical board member, treating everyone fairly, with no financial interests or family favoritism. In the past, I served on the board for three years. I believe when you take the oath of office that it means you should serve the people that elected you, not rule over them. The township is small and can easily have its land and landowners abused by public works projects, such as the CAPX 2020 power lines and MinnCan oil pipeline. No one seems to care until a project is proposed on their land and it gets taken or devalued. If elected I will speak up and fight for your rights to protect your land.

David Nicolai - Supervisor B

I have lived in the area my whole life. I have been a resident of Castle Rock Township for over 20 years. I have been on the Board of Supervisors for six years. My wife, Michelle, and I have two children, Evan, 23 and Dallas, 20. My wife, Michelle, served as Clerk of the township and I served on the Planning Commission for over 12 years. In these years I have remained committed to the agricultural nature of our township and will continue to do so.

Polls will be open from 10 am to 8 pm on March 8, 2016, followed by the Annual Township Meeting at 8:30 pm.
