Election Edition - February 2019

## Meet the Candidates

### **Kelly Kay Elvestad - Supervisor A**

I'm running for re-election on the Castle Rock Township Board in hopes of continued service to the people of Castle Rock. If elected, I will continue to serve with receptive and unbiased leadership, common sense, and integrity. I am a third generation resident of Castle Rock, a graduate of Farmington High School, have a BA in History and Psychology from UW-River Falls and served for 6 years as a Transportation Officer in MN Army National Guard. Together with my husband B.J., I own and operate a seasonal ice cream shop and grill in Cannon Falls. My most important job, however, is being Mom to our 3 amazing kids, Arabella(13), Eliana(7) and Idan(5). Service to the community is something that I hope to pass on to my children just as my parents passed it on to me. If re-elected I will continue to work to maintain agricultural interests, fight for land-owner rights, have sound reasoned judgement and consider all resident requests and grievances equally. I would appreciate your support and thank you for the opportunity to serve this community.

### **Russell Zellmer - Supervisor A**

I am a life time resident of Castle Rock Township. My wife Julie and I have been married over 35 years and we have two children. I was on the board for 12 years and have served on several committees, and currently continue to serve on the road committee. I still farm and am employed by Post Consumer Brands (formerly Malt-O-Meal) in Northfield for 21 years. I enjoyed being on the town board and working with our residents, and will continue to work for them if re-elected.

### **David J. Nicolai - Supervisor B**

I have lived in the area my whole life. I have been a resident of Castle Rock Township for over 20 years. I have been on the Board of Supervisors for nine years. My wife, Michelle, and I have two children, Evan, 25 and Dallas, 23. My wife, Michelle, served as Clerk of the township and I served on the Planning Commission for over 12 years. In these years I have remained committed to the agricultural nature of our township and will continue to do so.

### **John Ruud - Supervisor B**

I have lived in Castle Rock Township most of my life. I feel that it's always important to listen to people to get their ideas, suggestions and concerns. I believe in keeping taxes low and keeping our area primarily in agriculture. My goal is to listen to residents about their needs for the township in the future.

**Polls will be open from 10 am to 8 pm on March 12, 2019, followed by the Annual Township Meeting at 8:30 pm.**

### **Park/Gardening Committee**

Supervisor Elvestad is looking for volunteers to serve on a Township Parks Committee or for a one-day event to help spruce up the Country Side Park later this spring. The date and scope of the project and formal formation of a Parks Committee will be addressed at the Annual Township Meeting. If anyone is interesting in participating on the committee or for the clean-up event, please call or email the township and we will put you on the Parks email list. Thanks!

### **Red Cross Blood Drive**

In August 2018, Castle Rock Township hosted a Red Cross Blood Drive. This was a successful event and the township has been asked to sponsor another drive in 2019. Please mark your calendar for July 11, 2019 from noon to 6 pm. We appreciate all who are able and available to donate!
